

**Madhya Pradesh Agency for Promotion of
Information Technology [MAP_IT]**

[Under Department of Information Technology, Government of Madhya Pradesh]

**SELECTION OF TECHNICALLY QUALIFIED
PERSONNEL FOR DEVELOPMENT OF SOFTWARE**

Madhya Pradesh Agency for Promotion of Information Technology [MAP_IT] is a registered society under the Department of Information Technology, Government of Madhya Pradesh, which is mandated to provide Information Technology inputs to the Government Departments, agencies and to assist in their computerization and to facilitate human resource development in the field of Information Technology.

MAP_IT is in the process of setting up a small software development facility. To work in the facility MAP_IT wishes to engage people with requisite qualification and experience. Three such persons are intended to be engaged who should have the following qualification:-

1. Should have a degree in engineering B.E. from Computer Science/Information Technology/ Electronics and Communication or Master of Computer Application [MCA];
2. Should have two years of minimum work experience as software developer; and
3. Should have certification in Microsoft Dot Net.

The persons will be engaged for a contractual period of one year which may be extended to a maximum of two years and hence this is not a permanent engagement. The fixed monthly salary for the first year will be Rs.20,000/- [Rupees twenty thousand only]. Extension of one year contract will be at the sole discretion of the MAP_IT. Detailed job description and responsibilities along with application form are available on MAP_IT website <http://www.mapit.gov.in>. The application will be received online and the application portal will start receiving applications from 1st August 2011 till 21st August 2011.
